

## Space Engineering Seminar

## <The Schedule in 2016>

Time Schedule : 12:10 Start

Place : Room S2-405, 4th floor, General Research Build

Certifier(Signature) : Dr. Sangkyun Kim

These seminars are "Interdisciplinary Seminar of Engineering", but each seminar is separated into some different major.  
Please refer seminar schedule when you take a seminar and do not mistake the major.

| Seminar Date       | Speaker's Name             | Major : Interdisciplinary Seminar of Engineering<br>領域 : 工学融合科目   |
|--------------------|----------------------------|---|
| April 28, 2016     | Mariela Rojas              | Special Lectures of Interdisciplinary Seminar of Engineering (Common Field)<br>工学融合科目特別講義(領域共通)                           |
| May 12, 2016       | Rigoberto REYES MORALES    | Interdisciplinary Seminar of Engineering I (Mechanical and Control Engineering)<br>工学融合科目 I (機械知能工学領域)                    |
| June 9, 2016       | Jose Rodrigo               | Interdisciplinary Seminar of Engineering V (Applied Science for Integrated system Engineering)<br>工学融合科目 V (先端機能システム工学領域) |
| July 14, 2016      | Reuben Jikeme UMUNNA       | Interdisciplinary Seminar of Engineering I (Mechanical and Control Engineering)<br>工学融合科目 I (機械知能工学領域)                    |
| August 25, 2016    | Tamer W.H. ABU ROUK        | Special Lectures of Interdisciplinary Seminar of Engineering (Common Field)<br>工学融合科目特別講義(領域共通)                           |
| September 8, 2016  | Necmi Cihan ORGER          | Interdisciplinary Seminar of Engineering III (Electrical and Electronic Engineering)<br>工学融合科目 III (電気電子工学領域)             |
| September 15, 2016 | Erdenebaatar Dashdondog    | Interdisciplinary Seminar of Engineering III (Electrical and Electronic Engineering)<br>工学融合科目 III (電気電子工学領域)             |
| October 13, 2016   | Guillermo Wenceslao        | Special Lectures of Interdisciplinary Seminar of Engineering (Common Field)<br>工学融合科目特別講義(領域共通)                           |
| November 10, 2016  | Syahrin Azhan BIN IBRAHIM  | Special Lectures of Interdisciplinary Seminar of Engineering (Common Field)<br>工学融合科目特別講義(領域共通)                           |
| January 12, 2017   | Ernest Teye MATEY          | Special Lectures of Interdisciplinary Seminar of Engineering (Common Field)<br>工学融合科目特別講義(領域共通)                           |
| February 23, 2017  | Raihana Shams Islam ANTARA | Interdisciplinary Seminar of Engineering V (Applied Science for Integrated system Engineering)<br>工学融合科目 V (先端機能システム工学領域) |
| March 2, 2017      | Joseph Neenyi Kojo Krobo   | Special Lectures of Interdisciplinary Seminar of Engineering (Common Field)<br>工学融合科目特別講義(領域共通)                           |
| March 9, 2017      | Mohamed Elhady             | Special Lectures of Interdisciplinary Seminar of Engineering (Common Field)<br>工学融合科目特別講義(領域共通)                           |

It is a free seminar. For further information and participation, please contact Dr. Sangkyun Kim. (kim.sangkyun571@mail.kyutech.jp)
