

Space Engineering Seminar < The Schedule in 2018 >

Time Schedule : 12:10 Start

Place : Room S2-405, 4th floor, General Research Building 1

Certifier(Signature) : Dr. Sangkyun Kim

These seminars are "Interdisciplinary Seminar of Engineering", but each seminar is separated into some different major. Please refer seminar schedule when you take a seminar and do not mistake the major.

Seminar Date	Speaker's Name	Major : Interdisciplinary Seminar of Engineering 領域 : 工学融合科目
April 12, 2018	Abhas MASKEY	Special Lectures of Interdisciplinary Seminar of Engineering (Common Field) 工学融合科目特別講義(領域共通)
May 10, 2018	Taiwo Raphael TEJUMOLA	Interdisciplinary Seminar of Engineering V (Applied Science for Integrated system Engineering) 工学融合科目V(先端機能システム工学領域) ([NOTE] Special Lectures of Interdisciplinary Seminar of Engineering (Common Field) 工学融合科目特別講義(領域共通))
June 7, 2018	Ibukun Oluwatobi Adebolu	Interdisciplinary Seminar of Engineering I (Mechanical and Control Engineering) 工学融合科目I(機械知能工学領域) ([NOTE] Interdisciplinary Seminar of Engineering V (Applied Science for Integrated system Engineering) 工学融合科目V(先端機能システム工学領域))
June 14, 2018	Hiroshi Fukuda	Special Lectures of Interdisciplinary Seminar of Engineering (Common Field) 工学融合科目特別講義(領域共通)
July 12, 2018	Apiwat JIRAWATTANAPHOL	Interdisciplinary Seminar of Engineering III (Electrical and Electronic Engineering) 工学融合科目III(電気電子工学領域)
August 9, 2018	Tharindu Lakmal Dayarathna MALMADAYALAGE	Interdisciplinary Seminar of Engineering IV (Materials Science) 工学融合科目IV(物質工学領域) ([NOTE] Special Lectures of Interdisciplinary Seminar of Engineering (Common Field) 工学融合科目特別講義(領域共通))
September 6, 2018	Dulani Chamika WITHANAGE	Special Lectures of Interdisciplinary Seminar of Engineering (Common Field) 工学融合科目特別講義(領域共通)
October 18, 2018	Kiran Kumar PRADHAN	Interdisciplinary Seminar of Engineering IV (Materials Science) 工学融合科目IV(物質工学領域)
November 8, 2018	Yeshey CHODEN	Interdisciplinary Seminar of Engineering III (Electrical and Electronic Engineering) 工学融合科目III(電気電子工学領域)
December 6, 2018	Cheki DORJI	Interdisciplinary Seminar of Engineering I (Mechanical and Control Engineering) 工学融合科目I(機械知能工学領域)
January 17, 2019	Rizal SURYANA	Special Lectures of Interdisciplinary Seminar of Engineering (Common Field) 工学融合科目特別講義(領域共通)
February 7, 2019	Maisun Ibn MONOWAR	Interdisciplinary Seminar of Engineering V (Applied Science for Integrated system Engineering) 工学融合科目V(先端機能システム工学領域)
March 7, 2019	Pooja LEPCHA	Special Lectures of Interdisciplinary Seminar of Engineering (Common Field) 工学融合科目特別講義(領域共通)

It is a free seminar. For further information and participation, please contact Dr. Sangkyun Kim. (kim.sangkyun571@mail.kyutech.jp)
