

Space Engineering Seminar <The Schedule in 2015>

Time Schedule : 12:10 Start

Place : Room S2-405,4th floor,General Research Building1

Certifier(Signature) : Dr. Khan

These seminars are "Interdisciplinary Seminar of Engineering", but each seminar is separated into some different major.
Please refer seminar schedule when you take a seminar and do not mistake the major.

| Seminar Date | Speaker's Name | Major : Interdisciplinary Seminar of Engineering 領域 : 工学融合科目 |
|--------------------|-------------------------------|---|
| April 9, 2015 | Bianca Adina Szasz | Special Lectures of Interdisciplinary Seminar of Engineering (Common Field) 工学融合科目特別講義(領域共通) |
| May 14, 2015 | Adelaida Castillo Duran | Interdisciplinary Seminar of Engineering IV (Materials Science) 工学融合科目IV(物質工学領域) |
| June 11, 2015 | Dmytro Faizullin | Interdisciplinary Seminar of Engineering V (Applied Science for Integrated system Engineering) 工学融合科目V(先端機能システム工学領域) |
| July 9, 2015 | Rahmi Rahmatillah | Interdisciplinary Seminar of Engineering III (Electrical and Electronic Engineering) 工学融合科目III(電気電子工学領域) |
| August 27, 2015 | Rafael Armando Rodriguez Leon | Interdisciplinary Seminar of Engineering III (Electrical and Electronic Engineering) 工学融合科目III(電気電子工学領域) |
| September 10, 2015 | Long Trinh Thang | Interdisciplinary Seminar of Engineering V (Applied Science for Integrated system Engineering) 工学融合科目V(先端機能システム工学領域) |
| October 8, 2015 | Arifur R. Khan | Interdisciplinary Seminar of Engineering IV (Materials Science) 工学融合科目IV(物質工学領域) |
| November 12, 2015 | Essien Sampson Ewang | Interdisciplinary Seminar of Engineering IV (Materials Science) 工学融合科目IV(物質工学領域) |
| December 10, 2015 | Erdenebaatar Dashdondog | Special Lectures of Interdisciplinary Seminar of Engineering (Common Field) 工学融合科目特別講義(領域共通) |
| January 14, 2016 | Benjamin Bonsu | Interdisciplinary Seminar of Engineering III (Electrical and Electronic Engineering) 工学融合科目III(電気電子工学領域) |
| February 18, 2016 | Su Tien Nguyen | Special Lectures of Interdisciplinary Seminar of Engineering (Common Field) 工学融合科目特別講義(領域共通) |
| March 10, 2016 | Sidi Ahmed Bendoukha | Interdisciplinary Seminar of Engineering V (Applied Science for Integrated System Engineering) 工学融合科目V(先端機能システム工学領域) |

It is a free seminar. For further information and participation, please contact Dr. Khan. (markhan@ele.kyutech.ac.jp)
