

# Student Health Checkup Information

## (for new students)

Health and Counseling Center performs Student Health Checkup.

In particular, all new students are obligated to have medical checkup according to the School Health and Safety Act. Please be sure to go to the medical checkup organization.

### <Preventive measures for new coronavirus infection>

● Measure body temperature on the morning of the medical examination, and if you have a fever of 37.5 °C or higher, cough, general fatigue, sore throat, etc. If you have a cold, please refrain from going to a medical examination.

● Please wear masks, line up at intervals, and do not speak privately in the venue.

\* If you have a fever or cold, please contact the Health Center by email. We will inform you separately.

\* If you do not have a mask, please come to the health and counseling center in advance.

■ Place : **Houryuu Hall**

■ Health checkup items : Chest X-ray examination, urinalysis, Height, weight measurement, blood pressure measurement

### ★ Things to note regarding health checkup items:

- For chest X-ray examination : Please come with clothes that can be taken off and put on easily. Female students please come with white t-shirts.
- For urinalysis : The container is enclosed. **Please collect your first time urine of the day with the container and bring it to the health checkup.**

### ★ Please also note :

- We are promoting diversity and inclusion. Students who wish to be considerate when undergoing a medical examination should consult before the medical examination period.
- Students who belong to a company are obliged to undergo a medical examination at the company, so they do not need to undergo this medical examination.
- The result of the examination will be notified with the medical examination certificate. You can use your student ID card from the automatic issuing machine in the Faculty of Engineering office.
- If you are a current student and would like to have a health checkup for job hunting, please contact the Health and Counseling Center by email.
- If you have any questions or concerns, please contact us.
