Applications that arrive after the deadline will not be accepted.

^{*} If you cannot prepare all of the required documents to be submitted with the application form due to unavoidable circumstances, inform the office where your application is to be submitted ahead of time and follow their instructions.

*Please read before applying.

Government sponsored students and students on scholarships from another organization, who are paying enrollment and tuition fees but have been awarded a scholarship that provides the equivalent to that amount cannot apply for an enrollment fee or tuition fee waiver.

I. Enrollment Fee Waiver and Deferment Procedures

A. Eligibility for Enrollment Fee Waiver

Individuals to whom any one of the following applies:

- a) Individuals who will be enrolling in graduate school and find it difficult to pay enrollment fees due to financial reasons and are recognized as having outstanding academic ability.
- b) The person responsible for paying the student's school expenses has died or the student or the person responsible for paying his or her school expenses has suffered damage from a storm, flood, or other natural disaster after April 1, 2021 (or October 1, 2021 if enrolling in October 2021).
- c) There are reasons recognized by the University president as being equivalent to the above (b).
- d) The University president has recognized that special consideration is necessary due to strong social needs.

B. Eligibility for Enrollment Fee Deferment

- 1. Students enrolling in graduate school (excluding research students and auditing students)
 - Individuals who are recognized as having extreme difficulty in paying the enrollment fee, to whom any one of the following applies:
 - a) Individuals who find it difficult to pay the enrollment fee by the deadline for payment due to financial reasons and are recognized as having outstanding academic ability.
 - b) Individuals who are recognized as having difficulty paying by the deadline due to the death of the person responsible for paying their school expenses, or due to damage suffered by them or the person responsible for paying their school expenses from a storm, flood, or other natural disaster, occurring after April 1, 2021 (or October 1, 2021 if enrolling in October 2022).
 - c) Individuals recognized as having difficulty paying the fees by the deadline due to other unavoidable circumstances.

C. Applying

Students applying for an enrollment fee waiver should apply for both enrollment fee waiver and enrollment fee deferment when applying.

Individuals who apply for both enrollment fee waiver and enrollment fee deferment but, as a result of the screening for enrollment fee waiver, are either not granted a waiver or are granted a waiver for partial of the fee, will undergo a screening for enrollment fee deferment. Those who pass that screening will be able to postpone payment of the enrollment fee until the last day of August 2022 (or the last day of January2022 if enrolling in October 2022).

D. Amount of Waiver

If the screening for the enrollment fee waiver results in the applicant being granted a full or partial waiver of the enrollment fee, he or she will be exempted from paying the full amount, or partial of the amount, of the normal enrollment fee.

E. Notification of Screening Results

Applicants for enrollment fee waiver and enrollment fee deferment will be notified of the results in mid-May (or mid-November if enrolling in October 2022). The selection result will be notified by email to your Kyutech email address. Also, please be aware that applicants who are not granted a tuition fee waiver or are granted a partial waiver, and fail to pay the tuition fee by the due date designated by the University will be disenrolled.

II. Tuition Fee Waiver Procedures

A. Eligibility for Tuition Fee Waiver

Graduate students (excluding research students and auditing students) who are recognized as having extreme difficulty in paying the tuition fee, to whom any one of the following applies:

- 1. Individuals who find it difficult to pay the tuition fee due to financial reasons and are recognized as having outstanding academic ability.
- 2. Individuals who are recognized as having extreme difficulty paying the tuition fee due to the death of the person responsible for paying their school expenses, or due to damage suffered by them or the person responsible for paying their school expenses from a storm, flood, or other natural disaster, occurring within six months before the tuition fee deadline for that semester (or within one year if it is their first semester at the University).
- 3. Reasons recognized by the University president as being equivalent to the above (2).
- 4. The University president has recognized that special consideration is necessary due to strong social needs or some other reason.
- * However, students currently enrolled who were unable to advance to the next year or have exceeded their term of study (except due to special circumstances such as illness or studying abroad) are not eligible to apply for a waiver even if any of the above (1-4) applies.

B. Applying for Tuition Fee Waiver

The application periods for tuition fee waivers differ for first and second semesters and screening of applications is conducted separately for each semester.

C. Amount of Waiver

If the screening for tuition fee waiver results in the applicant being granted a full or partial waiver of the tuition fee, he or she will be exempted from paying the full amount, or partial of the amount, of the normal tuition fee.

D. Notification of Screening Results

The result of the tuition fee exemption will be notified by email to your Kyutech email address from student affairs devision of Tobata campus.

If you have to pay full tuition fee or half tuition fee, Kyutech will withdrawn automatically from your bank account on the specified date.

Please note that if you do not pay the tuition fee by the specified date, will result in expulsion.

III. Submission of Application Forms

A. Applying by Proxy (through your advisor or dean)

Applicants are permitted to have their academic advisor (or dean if an advisor has not been decided on) apply on their behalf only if there are unavoidable circumstances such as not being in Japan during the application period. Fill out the required information on the application form in accordance with "IV. Instructions for Filling Out Applications".

B. What to Submit (for all applications)

- 1. 2022 First Semester Enrollment Fee Waiver/ Enrollment Fee Deferment/ Tuition Fee Waiver Application Form (for international students)
- 2. Declaration of Part-time Job Income: 2022 First Semester (for international students)
- 3. Scholarship Receipt Confirmation Form/Scholarship Receipt Certificate (for first year graduate students)
 - *Only applicants entering graduate school at the University from another university need to submit a Scholarship Receipt Certificate.
- 4. Copies of receipts for rent, utilities (water, electricity, gas) and phone (for 2-3 months)
- 5. Copy of your passbook or bank account statement (for about 6 months)
- 6. Sibling Enrollment and Tuition Fee Waiver Status Certificate (submit only if you have siblings who are students)

D. Other Important Reminders

1. Incomplete or incorrectly filled out applications will result in your application not being accepted. Be sure to submit application documents in plenty of time

before the deadline.

- 2. Once your application for enrollment fee or tuition fee waiver has been received, you will be allowed to postpone the payment of such fees until you are notified of the results of the application screening. <u>After applying, do not pay the fees until the results of the screening are announced.</u>
- 3. If it has been determined that false or misleading statements have been made in the application after the screening results have been announced, the waiver/deferment may be revoked.

E. Handling of Personal Information

Information provided in the application form and other required documents for enrollment and tuition fee waiver will be used only in the screening process and not for any other purpose.

IV. Instructions for Filling Out Applications

Application forms are an important part of the screening process, so be sure to read this section carefully, and fill out the information based on your circumstances at the time of the Application Base Date (April 1 for first semester, October 1 for second).

Applications that are incomplete, incorrectly filled out, or do not include all of the required documentation will not be able to be processed and as a result will not be considered for screening.

In addition, if it has been determined that information on the application form and other required documentation has been intentionally falsified after the screening results have been announced, the waiver/deferment will be revoked.

A. Form 1: 2022 First Semester Enrollment Fee Waiver/ Enrollment Fee Deferment/ Tuition Fee Waiver Application Form

Application Category

Place a check ✓ in the applicable boxes (Enrollment Fee Waiver/ Enrollment Fee Deferment/ Tuition Fee Waiver). If you are applying for an enrollment fee waiver, check the box for enrollment fee deferment as well.

If you are only applying for a tuition fee waiver, check the box for tuition fee waiver only.

Name and Academic Information

- 1. Write your full name and student status (e.g. school, department, year) in the spaces provided.
- 2. New undergraduate students should leave Student ID No. blank. Currently enrolled students advancing to graduate school at this University should write their old Student ID Number they used as an undergraduate.

Academic Advisor

Applicants are allowed to have their academic advisor (or dean if an advisor has not been assigned) apply on their behalf only if there are unavoidable circumstances such as not being in Japan during the application period. The person filling out the application on the applicant's behalf must write the specific reasons why the applicant is unable to apply his or herself, and sign and place his or her personal seal where indicated.

When the applicant arrives in Japan, he or she must fill out the other necessary information and submit the required documents as soon as possible.

Reason for Applying

Describe your family circumstances and any other reason(s) that led you to apply. Explain the reason(s) from your standpoint.

Household Information Statement

Scholarships

Place a check \square in the "yes" box under "Receiving in 2021/2022?" if you have been awarded a scholarship or grant in the 2021/2022 academic year. If you are only receiving a student loan, and not a scholarship or grant, place a check \square in the "no" box.

* If you check "yes", please indicate how long the scholarship or grant lasts and the amount awarded in the spaces provided.

Applicant/family members (except students) /roommate

- 1. Write your information in the space marked "① Applicant". In the spaces below (starting with ②), write the information of persons living with you in Japan (if applicable).
- 2. Under "Occupation", write the current job. If the person is not working, write homemaker, unemployed, etc. Do not leave the space blank.
- 3. Under "Duration" write how many years the person has been working at his or her current job (if under one year, write how many months).
- 4. The shaded area under "Income from wages" and "Income besides wages" will be filled out by the University. Do not write in this space.

Students Other than Applicant

Write the information for family members (not including yourself) who are enrolled in elementary, junior high, high school, college of technology, university (including graduate school), school for the deaf, blind, and disabled, or specialized training college (upper secondary or postsecondary). Indicate where the person commutes to school from, and whether the school is national, public, or private by checking the appropriate boxes.

For family members enrolled in a national school (high school and above, not including yourself), check the appropriate boxes for details of waivers granted (or not granted) in the previous academic year under "Waivers last year".

Unless you checked "none", write the amount of the regular tuition fee for one year under "Waivers last year".

Official Use Only

Do not write in the shaded area.

Make sure the totals for average monthly income and average monthly expenditures are the same.

1. Part-time job: (Including TA · RA)

Write your income for one month earned from your part-time job. (If you are living with other family members, including their income as well.)

2. Savings/remittance/financial aid:

Write the monthly total for money used from your savings to supplement living expenses, remittance from your country, and/or financial aid received from your family.

3. Scholarships:

Write the amount received from scholarships or grants (do not include student loans).

4. Child allowance/child-rearing allowance:

Write the amount of child allowance received.

5. Other:

If you have income from sources other than the above, write the amount in the space provided.

6. Loans/deficit:

If you have any loans, or if the total for expenditures is greater than the total for income, write the difference plus the total for loans in the space provided.

7. Total:

Write your total income in the space provided.

© Average monthly expenditures (including family expenditures)

- * Calculate the average amount per month based on the copies of the receipts and passbook or bank account statement you are submitting, and write the amount in the space provided.
- * If you have any family members enrolled in a university other than this university, write the amount of their tuition fee in the space provided.
- * If the total for income is greater than the total for expenditures, write the difference in space marked "Surplus".

O Income Statement

- 1. Write your income and the income of all family members (except students) in the spaces provided.
- 2. For "Income from wages", write the amount including tax earned from January 2021 to December 2021.
 - * Make sure that when the total income is divided by twelve (one month's income) the amount equals the income in "Average monthly income (including family income)".
 - * If there are other sources of income that do fit into the categories provided, write the source in the parenthesis and the amount in the space provided.
- 3. Round off all amounts to the nearest thousand.
- 4. Write the totals for income from wages and income from sources besides wages for each person in the spaces provided.

B. Form 2: Declaration of Part-time Job Income, and Form 3: Part-time Job Certificate

Students currently working part-time must also submit a *gensen-choshu-hyo* (certificate of income and withholding tax) or payslip.

If you cannot submit a *gensen-choshu-hyo* (certificate of income and withholding tax) or payslip, you must submit a Part-time Job Certificate signed by your employer.

C. Form 4: Scholarship Receipt Confirmation Form

Fill out the information for any scholarships or grants awarded to you in the previous academic year (April 2021 to March 2022) and this academic year (April 2022 to March 2023).

* If you have been awarded a scholarship or grant that provides an amount equivalent to enrollment and/or tuition fees (and which can only be used for enrollment and/or tuition fees) while your application is being screened, be sure to inform the University as soon as possible.

Do not write information for student loans that you are receiving, such as the Japan Student Services Organization Scholarship.

D. Form 5: Scholarship Receipt Certificate (for first year graduate students)

This form is for students enrolling in this University from another university in Japan. Submit this form after having it certified by your university.

E. Form 6: Sibling Enrollment and Tuition Fee Waiver Status Certificate

If you have any siblings who are students in Japan, fill out this form for each

sibling and have it certified by the school he or she is currently enrolled in, and submit it with your application. This does not apply to siblings who are in junior high school or lower grades.
