

Space Engineering Seminar <The Schedule in 2023>

Updated on November 9, 2023

Time Schedule: 12:10–12:55 PM

Place: Space Engineering Seminar will be offered by ZOOM (synchronously) or in-person (Room# S-2A)

For details, please refer to seminar announcements from Prof. Fuse via email.

Certifier (Signature) : Associate Professor FUSE Tetsuhito

For Doctoral Program students, Space Engineering Seminar's attendance can be counted as "Interdisciplinary Seminar of Engineering (工学融合科目)". However, please make sure you read and understand the following instructions:

1. You cannot include a seminar provided under your own major course. (Students in Space Systems Engineering Course cannot include Space Engineering Seminars for Interdisciplinary Seminar of Engineering.)
2. You need to attend TWO Space Engineering Seminars to count as 1 lecture for "Interdisciplinary Seminar of Engineering".
3. In order to get 1 credit for "Interdisciplinary Seminar of Engineering", you need to attend 6 lectures. You can include upto 4 lectures from common field for 1 credit.
4. Please refer to the updated lecture schedule (besides Space Engineering Seminar) on the website:
<https://www.tobata.kyutech.ac.jp/gr-school/gra-menu/>
5. For Doctor students enrolled in or before 2018: "Interdisciplinary Seminar of Engineering" is a mandatory subject, and 2 credits are required.
For Doctor students enrolled in and after 2019: "Interdisciplinary Seminar of Engineering" is an elective subject, and you can take up to 2 credits.

[How to get a proof of attendance]

For seminars held in-person: You should get a stamp or signature on a Performance report form by Prof.Fuse as a proof of attendance.

For online seminars: Instead of getting a stamp as a proof of attendance, submit a one paragraph (75–150 words) summary (typed in English, with student ID number and date, and then signed) using Microsoft Word. Send the file to Prof.Fuse within one week of the lecture.

His email address is: <fuse.tetsuhito856(at)mail.kyutech.jp>.

[How to attend a ZOOM seminar]

SEIC students will get a ZOOM information via SEIC mailinglist prior to each seminar.

If you are not a member of SEIC, and you wish to attend Space Engineering Seminar, please request the ZOOM ID and password from Prof. Fuse by using his email address <fuse.tetsuhito856(at)mail.kyutech.jp>.

For further information and participation, please contact Prof. Fuse or Graduate School Section <koh-daigakuin(at)jimu.kyutech.ac.jp>.

Seminar Date	Speaker's Name	Major Course (You cannot include a seminar provided under your own major course.)
Wed. April 12, 2023	Yudai Etsunaga	Space Systems Engineering Course
Wed. April 26, 2023	CASIR RICANO Jorge Ruben	Mechanical Engineering Course
Wed. May 10, 2023	ESIT Mehmet	Space Systems Engineering Course
Wed. May 24, 2023	GHALEB Ramadan Aziz Sara	Space Systems Engineering Course
Tue. June 13, 2023	TRIGUEROS HEVIA Miguel	Space Systems Engineering Course
Tue. June 27, 2023	BARANES Noe	Space Systems Engineering Course
Tue. July 11, 2023	KOSIYAKUL Merisa	Space Systems Engineering Course
Tue. July 25, 2023	FERRER TORRES Javier Eladio	Space Systems Engineering Course
Fri. October 13, 2023	Jairo Rodríguez Blanco	Space Systems Engineering Course
Fri. October 27, 2023	FIELDING Ezra	Space Systems Engineering Course
Fri. November 10, 2023	OCHIRSUKH Enkhmend	Space Systems Engineering Course
Fri. November 24, 2023	TA Phuong Linh	Electronic Engineering Course
Wed. December 6, 2023	Edgar MUJUNI	Electronic Engineering Course
Wed. December 20, 2023	KHAMSAH Maras Nurul Nova	Electronic Engineering Course
Wed. January 10, 2024	ABUROUK W H Tamer	Space Systems Engineering Course
Wed. January 24, 2024	LADJOUZE Mohammed Cherif	Space Systems Engineering Course
