Those who pass that screening will be able to postpone payment of the enrollment fee until the last day of August 2026 (or the last day of January 2027 if enrolling in October 2026).

D. Amount of Waiver

If the screening for the enrollment fee waiver results in the applicant being granted a full or partial waiver of the enrollment fee, he or she will be exempted from paying the full amount, or partial of the amount, of the normal enrollment fee.

E. Notification of Screening Results

Applicants for enrollment fee waiver and enrollment fee deferment will be notified of the results in Mid-May (or Mid-November if enrolling in October 2026).
